WHAT SPORTS ARE PLAYED?

Thursday afternoon is set aside for Sport - both representative and internal sport. We are part of Parramatta Diocese Sport and compete against twelve other schools in a range of sports. There are seasonal competitions such as Rugby League, Soccer, Tennis, Touch Football, Cross Country, Rugby Union, Golf, Athletics, Basketball and Cricket. For students not involved in representative competition, 'internal' sport activities are organised. We use school and local grounds and facilities for sport.

WHAT OTHER EXTRA CURRICULAR ACTIVITIES ARE AVAILABLE?

The school is involved in Marist Solidarity, Social Justice, Community Service, Debating, Public Speaking, Orchestra, STEM Club and Chess. DO YOU ACCEPT BOYS WHO ARE NOT CATHOLIC?

Yes. However, we have a responsibility - explained in our Enrolment Policy, which is found on our website - to give preference to practising Catholic families. As with all families, families of non-Catholic students who are enrolled at the school are asked to support the school by accepting all its guidelines and expectations in every respect so as to maintain both the Catholic and Marist identity of our school. These guidelines and expectations have been built on over 200 years of tradition and it's the constancy and acceptance of this tradition that has laid the foundations for our success in the community.
